

Zone Map

Our home runs on three zones. Every crew member is responsible for their zone being guest-ready — clean, stocked, and done with excellence. Zones rotate weekly for Grace, Addie, and Winnie.

The second mile: Your zone is done when it's not just clean — it's guest-ready. Ask yourself: "Would I be proud to show this room to someone visiting for the first time?" If yes, you're done. If not, find the one thing that would make it excellent.

Core Values

**"Every task done with excellence,
a smile, and a servant's heart."**

THE SWEETMAN FAMILY MOTTO

Serve others first

Do your zone so that someone else's day is a little easier. Notice what needs doing and do it without being asked. Our home should feel welcoming to everyone who walks through the door.

Do it with excellence

Not just done — done well. Wipe the whole counter, not just the middle. Make the bed so it looks great. Excellence means you'd be proud to show your zone to a guest.

Happy spirit

How you do something matters as much as what you do. We don't grumble, sigh, or drag our feet. "My pleasure" is our family's response — and we mean it.

Go the extra mile

Every zone has a second-mile task — a small thing that shows you care beyond the minimum. Look for what wasn't asked and do it anyway. That's what sets our family apart.

Team before self

Finish your zone, then ask "Who can I help?" Older crew members look out for younger ones. We win as a family or we don't win at all.

Learn every station

Zones rotate so every crew member learns every job. No one is above any task. Knowing how to do it all makes you a stronger person and a better teammate.

Crew Recognition

- 1 Shout out a crew member at dinner who went the extra mile today
- 2 "Crew Member of the Week" board — anyone can nominate anyone
- 3 Zone excellence award when all three zones pass the guest-ready test
- 4 Family celebration when every crew member hits their second-mile task

*"I will serve my family with a cheerful heart, do my zone with excellence, go the extra mile, and always
— always — say 'my pleasure.'"*
